

*Do you know someone who lives or works in Cumberland County?  
Did they work publicly during the COVID-19 quarantine?*

Girl Scout Troop #10618 would like to recognize those who helped the community during the coronavirus pandemic. Healthcare workers, first responders, grocery personnel, delivery and service providers put themselves at risk to help us during quarantine, and we want to honor them in a way that will help us remember all the hard work they did to keep us safe.

The troop invites you to recognize personnel by engraving a brick to be displayed at Adams-Ricci Park in Enola, Cumberland County. Each brick measures 4"x8", and can be engraved with individual names and business. The cost per brick is \$25.00. It is anticipated that the project will be completed by the end of 2020.

To honor an employee, please fill out the bottom of the form and forward to [Silver10618@yahoo.com](mailto:Silver10618@yahoo.com) by **Friday, October 23rd**. An email confirmation will be sent letting you know we received your order and payment confirmation. Acceptable methods of payment are PayPal and major credit cards.
