

East Pennsboro Township

Application for Extension of Septic System Pumping

In order for a system owner to be considered for an extension of their pump out he/she must successfully demonstrate that the pumping duration may be extended from every 4 years to every 8 years by completing the following:

- Write a brief letter below describing the current situation of the property or system.
- Attach supporting documents which include;
 - o Last inspection/maintenance/pump out
 - o Documentation of sludge depth less than one third of tank capacity at last pumping confirmed by pumper/hauler.
 - o Provide/explain any other factors deemed relevant (i.e. single occupancy, low water usage, elderly, etc.)

§ 18-804 Maintenance; Sub-part 4-G

In order for the township to make a decision, this may involve an onsite inspection and/or sampling by a Township official (at the cost of the applicant). Once a decision is made the applicant will be notified (via telephone or US Mail) of the decision within 30 days by Township.
